

**TRAVEL CERTIFICATE**

*The bearer of this certificate \_\_\_\_\_  
has one or more abdominal stoma/s.*

*This means that body fluids and/or body products drain  
away via a surgically created opening and are collected into  
a special appliance (pouch).*

*Stomas need special attention. The person with a stoma will  
need to attend to it regularly, in privacy. They will also need  
to carry an emergency supply to attend to the stoma. These  
supplies **must not** be taken away from this person. If the  
supplies need to be examined, please do this discretely.*

*If a body search is necessary, a medical officer must be  
present.*

*Thank you for treating this person with dignity and respect.*
